PLEASE NOTE: Some of the goods which are shown in the catalogue may vary slightly if a supplier has a problem with their specifications when the catalogue has been printed. If this should happen we will try to help by offering you alternative goods of a similar specification and value or a similar choice.

50p All other Argos and Argos products quoted are approximate

Welcome to the famous Argos catalogue. We've compiled this catalogue with you in mind, so offer you a great way of shopping for a large range of quality products, at prices you'll find hard to beat.

The Argos secret is simple. We have developed a way of shopping designed around you and for you, so all you need to do is browse through our catalogue at your leisure, and when ready, place your order - Argos really does take care of it.

But this is only the start. Our buyers are committed to obtaining only the best and, if any product does not meet our Safety and Quality standards, it does not get into our catalogue. For

your complete peace of mind, we support our commitment to quality with comprehensive guarantees and a first class after sales service.

To give you, our customer, the best, we also have a host of services to make your shopping even simpler and more enjoyable. These include free home delivery (on selected

items), and Extended Product Guarantees, and both enhance our commitment to giving you a better service.

So if you're looking for a huge range of quality goods and services at competitive prices - and a way of shopping which is designed around you - Argos takes care of it.

Ordering

Making your purchase is simple. Once you have looked through the catalogue and made your choice, take a selection form (these are always included in this catalogue as well as in our stores) and fill in the catalogue number and description of the goods you require. Then take the form to a service point. While you are paying, your goods will be collected from our warehouse and brought to the collection counter ready for you to pick up.

Ways to Pay

You can pay for your purchase with any one of the credit cards shown with each or by the new electronic debit card (EDC). You can also pay by cheque and, unlike many retailers, if you have a valid cheque card, we'll give you immediate release of the cheque up to £500 (subject to credit).

Argos Personal Account

Open an Argos Personal Account and you will:

- have up to £1000 in credit available with no deposit*
- purchase items when you want them.
- spread the cost or wait yourself!

It works like this:

You decide how much you want to spend each month and we will then give you up to 24 times that amount as a credit each month.

The table below gives some examples.

Monthly Repayment	Maximum Credit of
£5	£120
£10	£240
£20	£480
£40	£960

*Account is subject to credit

If you are over 18, just fill in an application form and hand it to one of our sales assistants or post it to the address shown. When your application has been accepted, you will receive your Personal Account Card. You will also receive regular advance notice of purchases and when we're launching

new items. If 20% will be charged on the outstanding balance of your account each month. This means that an Annual Percentage Rate (APR) of 24.9% is charged if you pay through Instalment Direct (Instalment Direct). If you purchase a Toshiba 14" colour colour television (catalogue price £229.99), you will make 31 repayments of £12 each and a repayment of £2.62. The total amount payable will therefore be £312.62.

Other features like 0% finance can be arranged over the period of repayment.

Interest rates quoted are correct as at 1st April 1990 but may vary. A further 1% will be charged on outstanding credit and 1% will be charged on credit over £1000. Available from any Argos store.

Applications must be 18 years of age or over.

Written details are available on request.

Free home delivery on selected items

When you see this symbol against a product we will deliver that item **FREE**, direct to your door – anywhere in the UK, including Northern Ireland – (Northern items are generally big and bulky they are not available for collection from our stores)

You can order from any of our points or via our phone card **FREE DELIVERY** (CREDITED VOUCHER).

Simply call 0800 700 0100 (line that your order using any of the major credit cards shown on this page). You can call 24 hours a day, 7 days a week giving your name, address, telephone number and credit card details, along with the catalogue number and description of the item you wish to purchase.

Whether you order three electrical items from home or from an Argos store, delivery will normally be made

within 14 days. (Unless otherwise indicated in the description of the item or in the date of ordering). Please remember that to ensure delivery before Christmas you need to place your order before 1st December 1990.

Please note: This Limited number can only be used for placing orders.

Quality and Safety

Quality

We intend you, our Customer, to have total confidence that every item you purchase from Argos is **SAFE**, **RELIABLE** and of the highest **QUALITY**. We have therefore developed a large Quality Control team, fully dedicated to fulfilling such requirements and we believe that the time and care we take on Quality Control is the envy of other retailers.

In many cases, we even undertake to have the products we sell tested by independent test laboratories. We also carry out random inspections of deliveries to our warehouses (as a regular basis), and the performance of all our products and suppliers is monitored continuously.

Safety

All our goods, internally stored and our products, are subject to strict safety regulations and we take every

care to ensure that all our products are safe. Coupled with this care and commitment is our policy to select and stock top quality brand names, that you can trust. So you can Argos really does take care of it.

Safety Accessories

Apart from ensuring the quality and safety of the products we sell, we also make accessories to ensure your safety when using certain products. For instance we sell circuit breakers to use with electrical products as well as protective mats for use with DIY and gardening equipment. In order to care for your future and children we also sell a variety of safety devices for use around the house ranging from smoke detectors and burglar alarms to child safety products.

The Lion mark is a symbol of top safety and all Argos items are tested for compliance with exactly the same approved safety standard.

The "CE" mark is part of a campaign by the EC to improve safety standards across Europe and has been used by manufacturers since it's a mark of the year.

Argos Gift Vouchers

If you want to take care of a birthday, Christmas or any other special occasion, an Argos Gift Voucher could be the answer! Please note that, unfortunately, we cannot exchange Gift Vouchers for cash.

The Argos Promise

The following guarantees do not affect your statutory rights.

If you change your mind and decide that a product you have bought does not meet your needs, requirements we offer you the opportunity of returning it within 14 days of purchase, for a full refund or exchange.

We explain that if it is returned in its original and unopened condition, with its original wrapping, and you

realign. Please note this promise does not apply to earrings for pierced ears.

After sales care

making sure that you are happy with your purchase, both when you buy them and when you have taken them home. It is very important to us.

If a product develops a fault, simply return it within 30 days of purchase and we will offer you a replacement or a full refund. If a fault develops and the product is returned to our stores then 30 days after purchase but

within the manufacturer's guarantee period, we will provide a free-of-charge repair facility. And don't forget that we can arrange to have many electrical appliances serviced in your home so, if there is a problem, let Argos take care of it.

3 and 5 Year Extended Guarantees

To reinforce the Argos policy of selling high quality products at superb prices we are offering an Extended Guarantee scheme. This gives you the extra reassurance of knowing that you have safe guaranteed yourself against possible repair costs when the manufacturer's guarantee has expired, and that expert help is always available.

For a modest single payment we can arrange insurance cover for you, for up to a total of 3 or 5 years after you have made your purchase.

Our guarantees (which are arranged through Corbitt Insurance) are available for a wide range of products – from lawnmowers to televisions and from suit systems to cameras.

So when you're choosing your purchase, why not protect yourself for the future and the assurance peace of mind, take out an Argos Extended Guarantee.

Pick up a leaflet to learn the details.

THE DUCHESS COLLECTION

THE DUCHESS COLLECTION
This 1.8 carat (18 ct) diamond collection of jewelry has been hand-crafted to give you elegance and lasting beauty. Diamonds are extremely rare, and this diamond collection has the abundance of this precious gemstone in our "Diamond Collection" which has been specially selected with you in mind. Diamonds are the traditional symbol of love, which makes them the ideal gift for someone special.

FOUR CHARACTERISTICS TO LOOK FOR IN A DIAMOND

CUT The skill of the cut will determine its brilliance, its fire and its diamond beauty. The most popular cut is known as the brilliant cut, each diamond having 58 facets to give maximum reflection and refraction of light.

CLARITY The very best diamonds are virtually free of flaws. Some diamonds have small inclusions, but most are not discernible to the naked eye.

COLOR The highest quality diamonds are colorless, acting as a pure prism to let light pass through and be broken into its myriad of rainbow colors.

CARAT A diamond's size is measured in Carats. 100 points = 1 Carat.

We offer a selection of guaranteed weight diamond rings in each carat weight (1.8 carat and 2.0 carat). The carat weight is imprinted on the inside of your ring, to guarantee the diamond size you will receive.

"A VICTORIAN-INSPIRED MESSAGE BRING"

In Victorian times, a gentleman would give his ring to a lady to show his love and affection for her. The ring was often engraved with the first letter of the lady's name and the first letter of the gentleman's name.

Our Victorians ring the message is conveyed using the first letter of each of the following names.

- 1. Edward
- 2. Elizabeth
- 3. Anne
- 4. Mary
- 5. Elizabeth
- 6. Catherine
- 7. Dorothea

There's nothing better
than being
under the water
when the sun
is out and
the water
is calm.
Just the way
it is.

It will be difficult to identify any specific individuals or groups who are responsible for the violence in the region. The violence is the result of a complex set of factors, including poverty, unemployment, and social inequality. The violence is also a result of the failure of the government to provide basic services and to protect its citizens from violence.

Dual Control

Some of the double under/over blankets featured have dual controls. This enables the user to set the heat to five or six different heat levels, according to personal need.

Heat Levels

All our electric under/over blankets have 5 or 6 heat levels. The higher the number, the better the temperature.

The figure consists of six histograms arranged horizontally, labeled \$k=0\$ through \$k=5\$. Each histogram shows the frequency of values for the expression \$\mathbf{x}_k^T \mathbf{A} \mathbf{x}_k\$. The x-axis for all plots ranges from approximately -2000 to 2000, with major ticks at -2000, -1000, 0, 1000, and 2000. The y-axis represents frequency, ranging from 0 to 80. As \$k\$ increases from 0 to 5, the distribution becomes progressively narrower and taller, indicating a concentration of values around zero.

ST. LOUIS (AP)—A large earthquake, "greater than any recorded in the United States," struck the Lower Mississippi basin and, if it is as strong as some geologists believe, it may have killed thousands of people, including the 100,000 slaves on plantations, according to a report by geologists from the U.S. Geological Survey.

1. The first step is to identify the problem.

It is always best to start with a simple design. Start by creating a simple layout with a few elements. Then, as you become more comfortable, you can add more elements and complexity. This will help you to learn the basics of the language and to develop your skills. Once you have a good understanding of the basics, you can start to create more complex designs. This will help you to learn the advanced features of the language and to develop your skills further. Finally, once you have a good understanding of the basics and the advanced features, you can start to create more complex designs.
